Sir,

COMMUNITYPROJECT--South Kanara--Artificial Insemination Centre at Mangalore--Equipments and medicines--Supply of--Indent--Submitted.

Ref: G.O.Ms.No.1622 Pub. R.D.P. Dept. Dt 11--9--1954.
2.From the Dt. Vety. Officer, S.K. No.1950/54,Dt. 24-1-55.

An indent in quadruplicate for equipments and medicines required for the use at the artificialinsemination centre at Mangalore received from the Dt. Vety. Officer, South Kanara is enclosed, for favour of transmission to the Medical Stores Depot, Madras for eary compliance. The estimated cost of the indent is Rs 1861-7- 0 and it includes the cost of a microscope, hot air oven, thermoflask etc. for which a sum of Rs.5,000/- has been provided in the G.O. cited first above. About Rs.1500/- has been spent out of the provision of Rs.5,000/- and the balance of now available is more than sufficient to meet the cost of present indent.

I, therefore, request that the Deputy Assistant Director General, Medical Stores Depot, Madras may kindly be asked to comply with the indent very early as articles are required for starting the centre. If the microscope included in the indent is not available at the Medical Stores Depot, it may be ordered to be supplied by a reliable firm at Madras.

Yours faithfully,

Project Executive Officer.

Copy to the Dt. Vety. Officer, S.K. for information.
